HOPE STREET
MARGOLIS
FAMILY CENTER

Champions for Children Luncheon

Wednesday, June 7, 2023

11:00 a.m. – 2:00 p.m.

The need

For over 30 years, Hope Street Margolis Family Center at California Hospital Medical Center has been committed to providing services that support the health, welfare and education of low-income children and families living in downtown, central and south Los Angeles. Hope Street serves over 5,000 children and parents annually through an array of in-home and on-site services including early childhood education, mental health, adult education, child welfare and youth programs. Our mission is to **educate children, strengthen families and transform the community**. 100% of all contributions will directly support Hope Street's education, health and wellness programs including our after-school and Summer of Science program for youth ages 5–18. Your generous support will allow us to continue providing critical services and care to the children and families who come to us in need.

The luncheon

The event will be held at the Jonathan Club's Great Lawn in downtown Los Angeles, featuring a beautiful rooftop open-air space. The luncheon features an inspirational program and includes a silent auction and opportunity drawing.

The guests

Your generous support will not only impact the families we serve, but it will also allow you to connect with more than 250 distinguished guests including corporate executives, community leaders, healthcare professionals and philanthropists.

Recognition

Sponsors will be recognized in professionally-designed collateral including our monthly e-mail communications, welcome cards, displays and signage, as well as a digital program, website and social media.
