THE NEED

For over 30 years, Hope Street Margolis Family Center at California Hospital Medical Center has been a safe space for low-income children and families across downtown, central and south Los Angeles—serving more than 5,000 individuals annually through early childhood education, mental health services, adult education, child welfare and youth programs.

Our mission is simple: educate children, strengthen families and transform the community. 100% of all contributions go directly toward Hope Street's education, health, and wellness programs, including our After-School and Summer of Science programs, ensuring that every family who comes to us in need receives the critical care and support they deserve.

THE DINNER

This magical dinner will be held at Jonathan Club Town Club in downtown Los Angeles and feature an inspiring program, gourmet menu, silent auction and a few fun surprises.

THE QUESTS

Your generous support will not only impact the families we serve, but it will also allow you to connect with more than 300 distinguished guests including corporate executives, community leaders, healthcare professionals and philanthropists.

RECOGNITION

Sponsors will be recognized in professionally-designed collateral including our monthly e-mail communications, welcome cards, displays and signage, as well as a digital program, website and social media.
